

Shropshire Mums have teamed together with some of Shropshires finest local attractions and venues to let our amazing children know what an important job they are doing and just how special they are by staying home and saving lives!

Everyone at Shropshire Mums, Hoo Farm, Park Hall Countryside Experience, Theatre Severn, Exotic Zoo, Medieval Madness, Area 51, Weston Park and Shropshire Hills Discovery Centre are missing seeing the happy smiles and hearing the laughter of children throughout their venues this Easter.

Our children are staying indoors, unable to see grandparents, other relatives, play out with friends and missing school. Many children of keyworkers are still attending a very different type of schooling and dealing with so many changes.... All of this suddenly put upon our children, even those too young to really understand will be very much aware of changes in routine.

We are hoping to spread a little cheer and we want Children to know in a fun subtle way just how important their role is and what little super heroes they all really are.

On May 31st, we will enter everyone who uploaded and hashTagged into the draw for the chance to win some amazing prizes*
